

Body Care

A bras le corps®

Discover all the properties of Propolis in a range of products specially designed for skin care and prevention of skin conditions.

The different applications of Propolis were well known in the past, for example Aristotle mentions it in 'Pliny the Elder'.

So here is an ancient solution that Propolia® now offers you for your skin problems.

SOS SKIN CARE GEL

Bumps and bruises with Propolia®

A very active gel!

A tumble or unlucky knock... And soon unsightly lumps and bumps appear. Propolia® has designed a formula exceptionally rich in Propolis and Arnica to soothe this damaged skin. And now available as an organic product for an extra gentle care.

Main ingredients: PROPOLIS, ARNICA, LAVANDIN, PEPPERMINT
30 ml tube

For whom?

For excitable children or adults who seem to be a little accident-prone.

How?

Apply a dollop of product on the affected area 2 to 3 times per day. Massage gently to let it penetrate.

"A great product, very pleasant smell and remarkably effective!" *Sophie, a customer, said about the SOS Skin Care Gel*

"We love the effectiveness of the oil to soothe and prevent irritation of mosquito or spider bites. The Soothing Oil perfectly does its job and has a fairly pleasant scent" *Bio à la Une (July 2015) about the Soothing Oil*

Ref: HUICALM

SOOTHING OIL

The skin "fire-extinguisher"

A product perfectly suited to skin rashes and redness. Spray and massage: Propolis and St John's Wort will act rapidly. The Soothing Oil fits neatly into a modern product line and yet is a traditional preparation which has been manufactured in our laboratories for many years.

An ideal product to soothe a number of everyday household accidents, local rashes or stings.

Main ingredients: PROPOLIS, ORGANIC ST JOHN'S WORT, ORGANIC LAVANDIN

20 ml spray

For whom?

For those who got too near to their barbecue or have had encounters with mosquitoes.

How?

Directly spray on the affected area or apply with a compress made from organic cotton.

PROTECTIVE HAND CREAM

Guaranteed softness

Formulated for dry hands which have suffered from the cold or tough manual tasks, the Protective Hand Cream, created with organic ingredients, repairs, moisturises* and softens the skin thanks to the properties of the Honey and Calendula, while releasing a fresh pleasant lemony scent.

Main ingredients: BEESWAX, HONEY, CALENDULA, HAMAMELIS, LEMONGRASS

75 ml tube

**Hydration of the upper layers of the epidermis*

For whom?

For those whose hands need to be protected when the cold sets in; for handy people and gardeners who do not give their hands a break.

How?

Apply a dollop of cream and delicately massage into each hand.

ACTIVE BALM

An essential skin care product

One of the flagship products from Propolia® as voted by our customers and distributors!

Made up of 75% organic ingredients and highly concentrated in French Propolis (15%), its active ingredients rapidly penetrate thanks to its creamy texture. It is particularly adapted to skin application and can be used on a daily basis or sporadically.

Created using traditional techniques, this ointment combines sanitising and restorative properties with the typical pleasant smell of Propolis.

This handy skin care product can be taken everywhere.

Main ingredients: SHEA BUTTER, PROPOLIS, BEESWAX, SESAME, HONEY

30 ml container jar

For whom?

For people requiring further care for their damaged, irritated or uncomfortable skin.

How?

Apply and softly massage into the targeted areas before applying any bandage or plaster.

Ref: BAUMACTI

“It is amazing how fast the skin gets repaired, 1000 times faster” *Amélie, YouTuber, said about the Active Balm*

“Very very good product, pleasant smell. Convenient use... Very effective (tested even in Africa)” *A client said about the Deodorant*

BODY LOTION

The solution created for the skin

As your skin needs to be as hydrated* as possible, we have created this Body Lotion with organic active ingredients to give restorative and moisturising* skin care.

The application releases its sweet and lightly honeyed scent of Cotton Flowers while the reparative and nourishing properties of Propolis and Shea Butter make this Body Lotion suitable for the driest skin.

**Hydration of the upper layers of the epidermis*

Main ingredients: PROPOLIS, SHEA BUTTER, SUNFLOWER, FLORAL WATERS OF LAVANDER

190 ml pump bottle

For whom?

For those whose skin feels tight and so need to soothe it; after a day on the beach, a shower with hard water or because of a naturally dry skin.

How?

Massage into the entire body till it has been fully absorbed.

Ref: CRMAINBIO

“The skin is soft, moisturised, doesn't feel tight any longer and smells nice. It is heavenly!” *Delphine, a blogger, said about the Hand Cream*

“It really looks like yogurt! It has an ULTRA creamy and soft texture, not to mention the cotton flowers scent!” *Blogger Laura said about the Body Lotion*

DEODORANT

Naturally fresh

The pleasant sharp scent of Citrus Essential Oils, Witch-hazel and Sage Floral Waters combined with the natural properties of Alum (Alum crystal).

The deodorant provides long-lasting freshness throughout the day.

Main ingredients: WITCH-HAZEL AND SAGE FLORAL WATERS, HONEY, PROPOLIS, ALUM CRYSTAL, ESSENTIAL OIL OF LEMON AND RED MANDARIN.

50 ml roll-on applicator

For whom?

For those looking for a certified organic roll-on deodorant and whose perspiration is moderate.

How?

Apply every morning on dry skin (preferably clean) and again during the day as required.
