The Beekeeper's essential products

Every day, Honey and Propolis gather more and more followers - those seeking the natural benefits of these two beehive products and the combination of their qualities.

Through its range "The Beekeeper's essential products" Propolia® strives to create products that allow you to make the most of their qualities through a variety of dosage, method and flavours. They have always been especially appreciated by singers, smokers, orators and even very talkative people.

GOMMES DE PROPOLIS®

The beekeepers' sweets

The Propolis pastilles are an historic product enjoyed by our clients since 1979. They combine a very pleasant taste with all the benefits of propolis, recommended for the mouth and for helping the prevention of bad breath. A little sweet delight that connects us to our very first product line.

Choose from the strongest to the softest flavours: Orange, Aniseed, Eucalyptus, Liquorice, Ginger - one to suit everybody from young to old.

45 g case

NEW!

With organic ginger!

Ref: GPGIN
No added sugar

How?

Slowly suck each pastille to release its long-lasting action (5 to 6 pastilles per day).

MINT PROPOLIS ORAL SPRAY

The little extra refreshment

The taste is not as strong as the Purifying Oral Spray. The mint leaves a pleasant taste in the mouth, refreshing the throat and breath. This spray is certified organic by "Agriculture Biologique", guaranteeing that the ingredients are of superior quality for your greater satisfaction. The Mint Oral Spray gives you all the benefits of nature.

Main ingredients: PROPOLIS, ESSENTIAL OIL OF MINT, HONEY

20 ml spray

For whom?

For those who want to benefit from an organic Propolis combined with mint for a healthy and fresh oral hygiene.

How?

3 sprays, 6 times per day as required.

"We can feel first the high concentration in Propolis, then a whirlwind of mint that really helps to breathe. What a great relief! (...) and I can tell you that this spray saved my voice."
Ophélie, a blogger, when speaking about the Refreshing Oral Spray

"After trying several throat syrups, I am going back to this one for its unique and pleasant flavour and potency. The best I have ever tested!" Review of a client about the Throat Syrup
